

Wilton FG 511.-

Le forme nette della scocca definiscono il profilo squadrato di questa famiglia come fosse composta da rettangoli leggermente curvati, a creare una sorta di nido-origami. All'interno, la morbidezza dei cuscini e le dimensioni generose della seduta invitano al relax e ad una nuova forma di convivialità.

The sharp shapes of the shell define the square profile of this family as if it were composed of slightly curved rectangles, creating a kind of nest-origami. Inside, the softness of the cushions and the generous size of the seat invite relaxation and a new form of conviviality.
