

Quattro 26 FG 518.52

Il tavolino Quattro è disponibile in due versioni. La versione più alta, con altezza 54 cm, è prodotta con un piano quadrato in marmo Carrara, Emperador, Calacatta, Marquina e Grafite. L'esile struttura metallica delle gambe conferisce al tavolino una leggerezza quasi aerea.

The Quattro side table is available in two versions. The taller version, with a height of 54 cm, is produced with a square top in Carrara, Emperador, Calacatta, Marquina and Grafite marble. The slender metal leg frame gives the coffee table an almost airy lightness.
